

OIFN Book Club Meeting

In Guelph on September 14, 2017 at 12 noon

Facilitation Wellington Dufferin is proud to be part of the Ontario Independent Facilitation Network (OIFN), and one of the ways that we contribute to the network is by hosting semi-regular book club meetings.

This casual club offers a chance to come together to share ideas and conversation with people about books that spark our interest. It doesn't require any long-term commitment, and is open to anyone who would like to attend.

Our chosen book for September is:

Bee Time: Lessons From the Hive by Mark Winston. Here is a little bit about the book...

The experience of an apiary slows our sense of time, heightens our awareness, and inspires awe. Bee Time presents Winston's reflections on three decades spent studying these creatures, and on the lessons they can teach about how humans might better interact with one another and the natural world.

This book is available through the public library system, or through Amazon.ca.

Location: Einstein's Café, 2 Grant Street, Guelph
